

## **ST JOSEPH'S COLLEGE HUNTERS HILL**

Founded in 1881, St Joseph's is an independent Catholic secondary school for boys, under the care of the Marist Brothers. In 2010 enrolment is approximately 970 boys from Years 7 to 12.

### **Mathematics**

#### ***Full time Permanent commencing Term 2, 2010 or by mutual agreement***

The College is seeking to appoint a highly motivated and enthusiastic teacher, with a proven capacity to teach Mathematics to Stages 4, 5 and 6 and to work positively and collaboratively in a successful department committed to curriculum innovation and development.

All applicants for the above position must be supportive of the Catholic ethos and tradition of the College and be prepared to participate in the co-curricular area. Applications should contain full curriculum vitae, including university transcripts, a statement of educational philosophy, and the names, addresses and phone numbers of three referees, including current employer. Please address applications to:
